ProFunds Precious Metals UltraSector Fund Service Class

Total returns on \$10,000

As of Apr 30 2017.

Objective

The investment seeks daily investment results, before fees and expenses, that correspond to one and one-half times (1.5x) the daily performance of the Dow Jones Precious MetalsSM Index. The fund invests in securities and derivatives that the adviser believes, in combination, should have similar daily return characteristics as one and one-half times (1.5x) the daily return of the index. The index measures the performance of the precious metals mining sector. It is non-diversified.
